Applewood Learning Center is a non-profit early childhood education center, located right of the Highway 93 at exit 4 in Londonderry. We believe the events and happenings of childhood impact the future of the world. The Applewood Learning Center, in active participation with the family, is dedicated to guiding each child successfully through the journey of early childhood – from infancy through the school age years. Applewood recognizes that the foundation upon which our high quality programs grow is our staff.

As such, we have a vested interest in attracting and retaining the most highly qualified and dedicated staff and are currently seeking applicants for a:

Support Teacher: Part time or full time position working with children ages six weeks to five years old. Minimum of 18 ECE credits is required along with a high level of professionalism and a positive attitude. Knowledge of DAP is a must. Must demonstrate warmth, understanding of young children and families and enthusiasm for hard work. Willingness to respect and work with families with differing values, socioeconomic and cultural backgrounds. Ability to show imagination, flexibility, professional attitude, and a sense of humor. Commitment to on-going professional development is required. Must have experience with young children.

Benefits include:
- Supplemental Insurance
- 401K
- Professional Development
- ELNH membership
- Paid lunch breaks
- Low Teacher to Child Ratios

The Applewood Learning Center is an Equal Opportunity Employer. The Applewood Learning Center does not discriminate on the basis of gender, race, religion, national origin, marital status, sexual orientation, citizenship status, veteran status, handicap status or age. Employment is at will.
