THE INDUSTRY

- The locum tenens industry is a $2.5 billion dollar industry, and growing!
- The US is facing a shortage of 130,000 physicians by 2025, and healthcare facilities are using locum tenens providers to meet patient demand.
- 90% of hospitals and medical groups used locum tenens physicians last year.
- Over 75% of healthcare facilities use at least one to five days of locum tenens physician coverage in a typical month.
