
JOB DESCRIPTION

The Goddard School, an early childhood education center, located in Nashua, NH, is looking for energetic teachers (Leads, Associates, Assistants, and Floaters) for our early childhood education program. We are looking for someone who is dedicated, and wants to be a part of our exciting program and our continuous efforts to be the best school for our students and families. Our program teaches children from 6 weeks old to 6 years old.

The Goddard School is a renowned program with a Piaget (Learning through Play) and Erikson based foundation, and is a leader in the franchised preschool industry, which is growing and continues to set the standard for excellence. The focus of the program is to provide a life-long love of learning. Our staff is made of loving and dedicated teachers who understand each child's needs. They are highly qualified childhood educators who are able to use their creativity, the Goddard F.L.EX curriculum, Developmental Guidelines, and State Standards as the basis for unique lesson plans that are brought to life in a fun and imaginative way.

To apply for this position, please send a **resume** and **transcripts** to The Goddard School, 8 Townsend W, Nashua, NH 03063 or email the requested items in response to this post to nashuadirector@hotmail.com.

Teacher Qualifications:

- § Working towards an Associates or Bachelor's degree (preferred) in Early Childhood Education or related field. (Must have taken an equivalent to Child, Growth, and Development for the State of New Hampshire)
- § Must be at least 18 years of age.
- § Flexible schedule between the hours of 7 a.m. and 6 p.m. Negotiable based on placement.
- § Prior classroom and planning experience, preferably two years with one year of experience with age group.
- § Passion for working with young children
- § Demonstrate knowledge of developmentally appropriate practices
- § Strong written and verbal communication skills

Daily Responsibilities

Our Teachers and Assistant Teachers work together:

- § Developing weekly lesson plans.
- § Meeting the individual needs of the children
- § Participating in staff and training meetings.
- § Designing an appropriate room arrangement to support the goals and developmental level of the children in the classroom.
- § Interacting with the children to support play, exploration, and learning.
- § Presenting expectations that are appropriate to the child's age and developmental level.
- § Planning and implementing activities that develop self-esteem and social skills.
- § Communicating appropriately and professionally with parents and fellow staff, including transition meetings, student assessment, and parent conferences.

Lead Teachers are responsible for ensuring compliance with Goddard's industry-leading Quality Assurance standards, as well as state standards. Lead Teachers write and implement their own lesson plans based on Goddard's FLEX Curriculum, NH Early Childhood developmental guidelines, and monthly school themes. Most importantly, they create a positive learning environment in their classroom where children develop a lifelong love of learning!
