Coin Sorter
Part Time/After School: 3:30 AM - 6:30 PM
Summer Hours 7:30 AM - 4:00 PM

Littleton Coin Company is a family owned and operated business with over 65 years of strong steady growth. We are an industry leader in the collectibles field providing coins, paper money and related supplies to collectors worldwide. We employ over 300 people in a comfortable, modern facility. Rated as one of the best small towns in the country to live in, Littleton is in the heart of New Hampshire’s scenic White Mountains, one of the premier four season vacation and recreation areas in the country.

Working in a team based company, you will sort and count various types of U.S. coins by denomination, date and mint mark to prepare the coin for grading and retailing, and to meet individual and team standards for accuracy and productivity. You will be responsible for accurately identifying all common coin types, basic varieties, and mint marks. You will receive daily guidance, supervision and coaching as you develop technical expertise and proficiency through our training program materials and resources.

Qualified applicants must be detail oriented with a high level of concentration and attention to accuracy and consistency. Strong decision-making ability is needed, as well as good math, numerical retention and penmanship skills. Must be able to perform repetitious work, cooperate well with others, have 20/20 corrected vision with intact color discrimination, and be able to lift up to 35 pounds.

We will provide necessary training.
