

Samsung Experience Consultant (Part Time) - NH, WEST LEBANON - 274 PLAINFIELD RD

Are you energetic and a people-person who can strike up a conversation with almost anyone you meet? Are you a technology enthusiast, knowledgeable, determined, and interested in the newest advancements in the mobile, tablet, and wearables technology? We are currently seeking a highly driven individual to become a Part-Time Samsung Experience Consultant (SEC) for the 'Samsung Experience Shop' in Best Buy, demonstrating and selling the global giant's most exciting and desired ecosystem of products.

The Part-Time Experience Consultant will be expected to empower the consumer using device discovery. The SEC will be expected to drive an interactive consumer experience by promoting and selling the newest Samsung ecosystem of devices and accessories: phones, tablets, wearables, VR, and other designated products such as TVs and home appliances. The Part -Time Experience Consultant will also work closely with Best Buy store personnel to build and maintain strong relationships, and to support objectives to meet client expectations. Click on the link to directly access the application as well as other details in depth pertinent to the position.
