

# Build Your Work Experience and Skills!

## Career Services Work Experience Program

Partner with staff who can offer relevant projects and tasks for your career

Available to all current students and alums

Part-time paid positions within the College  
Ten or less hours per week

### Work Experience Program Benefits

- Build skills and experience for your new career in fields such as: marketing, writing, IT, data analysis, event planning, research and basic office skills and more!
- Learn about and experience new work environments
- Gain professional references and contacts
- Use one of two funding sources: Federal Work Study or Work Experience Funds for those who don't qualify for Work Study
