

Granite State College

Bachelor of Arts, Individualized Studies in English - Curriculum Map

Degree Outcomes

Students will:

- gain an introduction to literary texts that have been either written in English or translated into English.
- understand the character and conventions of the principal literary genres and of other kinds of writing and communication.
- develop skills of analysis and interpretation using different theoretical approaches to study and analyze literature, language and literacy.
- understand both how literature and language reflect and impact cultural change and of the ways in which texts are written and received within literary, cultural and socio-historical contexts.
- complete a capstone project which integrates acquired knowledge and capabilities in literary studies.
