Important Note: An associate degree from a regionally accredited college is required for admission to Degree Completion Pathway. Applied Studies in Management is appropriate for those with an earned associate degree in a non-business field who want a bachelor's degree with a management focus. Students can complete this program with a Fast Track option of two courses per term while still pursuing the degree at their own pace.

This document is provided for student convenience, and is not an official record of Granite State College degree progress.

Important Note: Transfer Credits, Exams, Prior Learning Credit, and grades earned will impact the above.
