Granite State College

2018-19 Request for Reinstatement of Suspended Aid Form

Complete With Your Advisor

Student's Name: _____   GSC ID#: _____

Current Program of Study: _____   Remaining Credits for Program Completion: _____

Once you meet SAP eligibility requirements, you may regain eligibility for financial aid during the next scheduled SAP review. If you wish to regain eligibility sooner, you may submit this form to alert the Office of Financial aid that you now meet the minimum SAP requirements and that wish to have your eligibility reinstated. To determine if you currently meet the minimum SAP requirements you and your advisor may complete the worksheet on the reverse side.

Deadlines for Submittal: Request for Reinstatement of Suspended Aid forms must be complete and received by noon on the following dates in order to have your eligibility reviewed for the start of the term: Summer: July 13, 2018; Fall: September 7, 2018; Winter: December 21, 2018; Spring: March 22, 2019. You may submit this request prior the posting of your current term grade if you are confident that grade will allow you to meet the SAP minimum standard. If your grades are not posted by the end of the first week of the term you will need to make an alternate payment arrangement in order to remain in classes.

Part A: Academic Plan

As part of your continued success at Granite State College you need to complete an academic plan with your advisor. You will be placed on financial aid probation for your next period of enrollment and you must continue to meet SAP standards at the end of that period. If you do not meet the standards, you will once again be suspended.

Do You Meet the Minimum SAP Standard?

There are 3 factors that go into determining whether or not you are meeting SAP standards. Your advisor and/or WebROCK can help you answer these questions.

1. What is Your Current GPA? _____

You can view your cumulative GPA by going to WebROCK/Student Records/View Academic History/Transcript Totals. It will be listed under 'Overall GPA' at the bottom right of the screen.

- Students enrolled in undergraduate programs must have a minimum 2.0 cumulative GPA.
- Students enrolled in post-baccalaureate and graduate programs must have minimum a 3.0 cumulative GPA.

2. What is Your Current Completion Rate?

You can calculate your completion rate by going to WebROCK/Student Records/View your Academic History/Transcript Totals. You will divide the 'Overall Earned Hours' by the sum of the 'Total Transfer Earned Hours' and 'Overall Attempted Hours'.

_____ / (_____ + _____) = _____ %

   Overall Earned Hours   Total Transfer Earned Hours   Overall Attempted Hours   Completion Rate (round up .666 to 67)

Your completion rate must be at least 67% for all programs of study.

3. Can You Complete Your Program of Study Within the Maximum Timeframe Allowed?

To answer this question you must determine a few things first.

a. What is the published length of your program of study? _____

In other words, how many credits must you earn to complete your program? Visit my.granite.edu/sap to view the published length of your program of study.

b. What is the maximum timeframe for completion of your program? _____

In other words, what is the maximum number of credits you can attempt to complete your program? Visit my.granite.edu/sap to view the maximum timeframe for your program. Or multiply 1.50 by the published length of your program.

_____ + _____ = _____

   Total Credits Attempted   Remaining Credits to Complete Program   Total Credits to Complete

- Is the Total Credits to Complete less than the maximum timeframe allowed for your program? It must be less in order for you to be eligible for aid.

Do you meet the current SAP requirements for your program of study? ☐ Yes ☐ No
